SKULD EDEN VALLEY RIESLING

Ian Hongell was formerly chief winemaker for Peter Lehmann and responsible for many of the great Wigan Rieslings released over the last decade. He was thrilled to continue his Riesling legacy with Otherness in tandem with his chief winemaker duties at Torbreck, where he is crafting some of the Barossa's most exciting wines made from classic Rhône Varietals.

ABOUT OTHERNESS

Otherness is a project representing a series of winemaking collaborations between esteemed local winemakers and Grant Dickson. The Otherness brief is pretty simple: Let's make wines together that we want to drink rather than wines that we know we can sell.
