URTH CLARE VALLEY RIESLING

“Any lover of Australian Riesling holds the Clare Valley in the highest regard and a name that is synonymous with Clare Valley Riesling is Pikes. We were extremely honoured to work with Neil Pike a great friend of ours to establish Urth, a truly inspired wine showcasing the best of Clare Valley Riesling. Since our 2020 release we have been equally thrilled to continue the winemaking legacy under the immensely talented Steve Baraglia; chief winemaker at Pikes and his own brand, Naked Run Wines”.

ABOUT OTHERNESS

Otherness is a project representing a series of winemaking collaborations between esteemed local winemakers and Grant Dickson. The Otherness brief is pretty simple: Let's make wines together that we want to drink rather than wines that we know we can sell.
